

NOTES and NEWS

June 2017 — A Gala Success

Thank You

A big “Thank You!” to everyone who generously supported this year’s “Shine a Light on JPA” Spring Benefit on May 19th at Venue One. Together, we raised over \$425,000 toward improving the social & emotional well-being of vulnerable children so they can achieve their fullest potential at home, at school, and in our community.

Extra-special thanks to this year’s Spring Benefit Chair, Bob Johnson, along with the Benefit Committee, for their hard work in putting together this year’s event.

Donors:

None of it would have been possible without the support of so many! Listed below are the event’s major sponsors and in-kind donors that helped make our event such a success.

Make sure to check out the festive event pictures on our Facebook page!

If you wanted donate the night of the event and weren’t able to, there’s still time: <http://donate.jpachicago.org/>! You can make a difference in our children’s lives.

THANK YOU SPONSORS!
