- **Casino Night Saturday, February 11th: #iplayforjpa** Thank you to everyone who joined JPA 's Associate Board for a spectacular night at the Chicago Cultural Center. We appreciate everyone who "played for JPA" this year. Your generosity helps us bring vital mental health services to vulnerable children in more than 20 schools, mainly on Chicago's west side.

This year's event was sold out with over 450 tickets purchased, a fifty percent increase over last year's sale of just over 300. Guests enjoyed playing craps, roulette and blackjack; tasted food from 20 popular Chicago restaurants including Tobacco Road Tap Room, Dolce Italian and Lou Malnati's Pizzeria; played an exciting game of "Heads or Tails"; and bid on 50 highly-coveted items in our silent auction, including prime seats to Chicago sporting events, weekend getaways, restaurant certificates and unique experiences such as a catered dinner at home.

Our many sponsors, including Marquette Partners LP and the Holden family, went above and beyond to ensure Casino Night was unforgettable. Kudos to everyone who donated and supported JPA's event & our mission. **THANK YOU, SPONSORS!**

We also want to thank all our guests. Special thanks to our Casino Night Chairs, Bill Buhr, Kathy Pirogova and Matt Zelensek, as well as to the entire Associate Board for making this year's event the best yet...We're looking forward to next year's party!
